Housing — Lower-Income Households Eligibility Based on Family Household Income and Size

The claimant (tribe or tribally designated entity) must follow the instructions listed below. The claimant should provide each household living on the property with a copy of the attached form titled Lower-Income Households — Statement of Family Household Income, to be filed with and maintained by the claimant. The organization's property will not be allowed the exemption unless the proper information is provided to the Assessor in a completed affidavit, in duplicate.

### A. LIST OF QUALIFIED HOUSEHOLDS

The claimant must list on the affidavit the following information for only those lower-income households that qualify:

- (1) Home address, apartment number, room number, etc. Use two lines if there are two households at the same location, etc.
- (2) The number of persons claimed to be in the household (one household for each line item).
- (3) The maximum income limit reported by each household (this figure should agree with the income limit based upon the number of persons in the household that is printed on the affidavit).

NOTE: No reporting by line item is necessary for vacant room (areas), households that did not report, households that may not be lower-income, or for households whose incomes exceed the applicable income limits.

### B. RECAP FOR ALL FAMILIES, ELIGIBLE, AND INELIGIBLE

The claimant must complete the "Recap" section of the affidavit for all households, eligible and ineligible, to show that at least 30% of the housing units are occupied or held by low-income tenants.
